## How to enter the data to the system?

The screenshot shows the 'Orders' section of a web application. On the left is a sidebar with 'Update Orders' and 'LOG OUT' buttons. The main area has two tabs: 'Order Details' and 'Order List'.

**Order Details:** This form contains three input fields: 'PO - Style - Color', 'Date', and 'Quantity'. Arrows numbered 2, 3, and 4 point to these fields respectively. An arrow numbered 5 points to the 'SAVE' button.

**Order List:** This section contains a search bar and a table. The table has columns: #, PO, STYLE, COLOR, QUANTITY, DATE, SAVED DATE, and OPTION. The table is currently empty, showing 'No data available in table'.

### How to edit the entered data?

If you want to edit the entered data, click on “update” button which has shown in Step 6.

The screenshot shows a modal window titled "ORDER DETAILS" with a close button (X) in the top right corner. Inside the modal, there are two input fields: "Date" with the value "2022-05-05" and "Quantity" with the value "126". Both fields have a purple background. At the bottom right of the modal, there is a green button labeled "UPDATE".

### How Check the entered data?

Once you click on save button, entered data will be shown under the order list area.

Note: You can only edit the current date data. If you want to change old data, please contact the planning team members.

If you have any technical questions, please contact IT Help Desk service though - [support@rmholdings.lk](mailto:support@rmholdings.lk)
